

Dear Editor

Fitz Park 'Make us smile project'

On behalf of the Fitz Park Play Area Project I am just writing to thank all those who have generously contributed to the project so far. You will have seen an update on the project in the Keswick Reminder last week which reported that we have raised £126,900.00 towards the project and we still have decisions to come back from number of funding applications in July. However, we still need help to draw more funds in.

I have had a number of emails from supporters of the project who are worried what will happen to donations if the total amount is not raised- let me reassure them that a redevelopment of play area will go ahead and will be useable by March 2010.

Volunteering on this project has been a fantastic experience and heart warming to see people contribute to a project in a difficult financial climate. We really want to install the best play area we can for Keswick and would appreciate more donations.

This play area will be a fantastic addition to the Keswick Community and if you have kids, grandkids or you just like a stroll in Fitz Park and would like to see a revitalised play area, please make a donation of what you can and send cheques made payable to the 'Fitz Park Trust' and send with your address to 50 Main Street, Keswick CA12 5JS

If you would like to see the plans for the play area please visit the website www.fitzparkplayarea.co.uk
