

Fitz Park

Play Area Project

“We want a play area that puts smiles on faces”

After public concern at the deterioration and poor condition of the play area in Fitz Park, parents set up the Fitz Park play area user group.

The group approached Fitz Park Trust to support the redevelopment. The Trust is a charity and has no funding available in the budget for new equipment. The Trust and the Parents group are therefore working together to come up with a scheme of fundraising.

Children and parents took part in a consultation workshop in October 2008 and want to see a complete regeneration of the play area creating an inspiring and creative environment for the play area users including:

- Improved surfacing
- Climbing equipment
- A sand pit
- Separate areas for different ages
- A roundabout
- Toddler slide
- Improved swings
- More challenging equipment for older children
- More seating and picnic areas for adults

The scheme totals around £200,000 and we need your help!

“What has happened so far?”

A bid has been submitted to the BIG lottery. In addition to funding applications, a scheme of sponsorship and fundraising will ensure that this project creates a play area that Keswick is proud of.”

The play area user group have been working with the Trust to develop a fundraising scheme as well as the submission of other funding applications.

How can you help?

By making a donation towards the appeal
Cheques should be made payable to **“Fitz Park Trust”**
Please send donations to:
Fitz Park Trust, 50 Main Street, Kewswick CA12 5JS

Helping to hold a fundraising event- please contact the parent’s users group

I would like to help the Fitz Park Play area project (Please tick above box)
