

The Fitz Park Play Area Project,

Fitz Park, Keswick, Cumbria

“Let’s create the *best* play area in Cumbria”

Following on from the Town Council meeting that we went to last week (with 350 signatures that we gathered - thank you) we have some **great news** - the Fitz Park Trustees want our ideas and our input. We have a great opportunity to put forward our wish list and create the *best* play area in Cumbria.

Please, please, please don’t miss out on this chance to air your ideas and put forward your suggestions about what should be included in the new play area. All ideas and suggestions gratefully received.

But don’t dally - we don’t have much time on our hands. Write it down, e mail it or telephone.
NOW.
