The Greatest Twits Dance Party

Scotty & Lulu will bop and bounce to the tune of one concert at Keswick's Rawnsley Hall on Saturday 17th October 2009 as part of their Greatest Twits UK Tour. The performance follow upon Scotty & Lulu's sold out appearance at The theatre by the Lake in October 2006, where they entertained hundreds of delighted local children.

One shows will be held at 4.00pm on Saturday 17th October. Child-friendly floor seating is available. The informal show format and seating means that children can have more fun when sitting on the floor, where they can enjoy the freedom to jump up and down, dance, sing along, and interact with their parents and other children in a care-free environment.

Scotty and Lulu have been entertaining young children with their interactive songs and silliness for over 14 years. With a strong background in early childhood education, Scotty & Lulu have been able to re-write the book on children's entertainment with their positive, educational and entertaining concerts delighting children all over the world for years. With their mix of catchy tunes, loveable personalities and a generous helping of comedy and fun, Scotty & Lulu's popularity in the UK is unrivalled. Scotty & Lulu are Scott Ligertwood and Nick Harvey.
